

Yellow Zirconia Powder

Yellow Zirconia Powder belongs to SAM Zirconium Oxide (Zirconia) product series. Nextgen Advanced Materials supplies Yellow Zirconia Powder with high quality and fast delivery, and customized products are also available.

Product Description

As the professional manufacture, we would like to provide you high quality Nextgen Yellow Zirconia Powder. The high standards we have established since our inception and maintained to date have earned us a solid reputation and helped us to attract a large number of new customers and talents. We provide 2 kinds of yellow zirconia powder: granular and spray-drying powders. They can meet different requirements of different production processes like dry pressing, isostatic pressing, injection, tape casting, and so on.
